May 31, 2025

Parents and students of 2025-2026

Attached is the new registration forms for the new school year ahead. In addition, please see the letter from the Archdiocese as things will be changing in the next few years for our Formation Programs. 8th grade students will conclude their formation process with the Decisions program and then make their Confirmation in the Fall of the 9th grade as we move forward. We will inform you of the exact year this will take place. This school year it will still be in the 10th grade (2025-2026).

Also, the Archbishop will be coming to our parish on Saturday, June 14th for the 4:00 pm mass and have a meet and greet in the school gym to follow with a light reception. I encourage you to come and meet our chief Shepherd. Please notify the Parish Office at 203-799-2379 with the number to attend by Sunday June 8th . If you so choose to help with finger desserts such as brownies, cookies, cupcakes, notify Karen at the office as well. They may be brought to the gym from 9:00 am to 3:00 pm on Saturday to share with all who will be coming. This is a great way for Confirmation students to get their service hours for each batch they make.

With best wishes for another productive year ahead. See the bulletin notice for more information as we move forward together in the Lord.

Sincerely,

Father Norman
