*The Extraordinary Life of Sam Hell*

by Robert Dugoni

(Amazon Editors' Picks: Best Literature and Fiction books)

**A coming-of-age story about a boy born with ocular albinism, shaped by his mother's unwavering Catholic faith.**

Sam Hill always saw the world through different eyes. Born with red pupils, he was called "Devil Boy" or Sam "Hell" by his classmates; "God's will" is what his mother called his ocular albinism. Her words were of little comfort, but Sam persevered, buoyed by his mother's devout faith, his father's practical wisdom, and his two other misfit friends.

The book is available for purchase in print from several online sellers, as well as Kindle and audiobook formats. It is available for loan through the Case Memorial Library.

The discussion meeting for this read is scheduled for
