

Women's Guild of Holy Infant Church Orange, CT

March 2025

It's almost time to come out of hibernation. While we have been huddled inside, hiding from the cold and snow, hiding from the sniffles and flu, we have been busy planning for our spring activities and even NEXT year!

IMPORTANT - We tested our new email client for mass mailing.

Women's Guild Email Address: womensguildholyyinfant@gmail.com

Our test email, subject: "*March General Meeting*," was sent on February 15. The number of delivery issues was minimal, but our goal is to have no issues.

- If you received that email by mistake, send a message to the Guild mailbox and your address will be removed from our distribution list.
- If you did not receive that email, check your "junk/spam" mailbox. Add the Guild email address to your address book/contact list. Check if your mailbox is full.
- The February 15 email had an attached file. If the attachment did not download, check your security settings/preferences regarding attachments. Check if your mailbox is full.

After making corrections and adjustments to our email list, a 2nd email (no attachments) was sent to all members on Monday, February 24, 5:00pm.

For any issues or questions, please reply to this email or send to the Guild email address.
